POWER OF ATTORNEY BY ASSIGNEE

To the Assistant Commissioner for Patents:

The undersigned assignee of the entire interest in application for letters patent entitled: *Primary N-hydroxylamines* and having the named inventor(s): Bruce N. Ames and Hani Atamna, described in the application filed herewith, hereby appoints Richard Aron Osman, Ph.D. (Reg No 36,627) to prosecute this application and to transact all business in the United States Patent and Trademark Office in connection therewith.

Please direct all correspondence and telephone calls to: Richard Aron Osman, Ph.D. at 75 Denise Drive, Hillsborough, CA 94010; tel. (650) 343-4341.

In accordance with 37 CFR §3.73 the assignee submits herewith for recordation an assignment from the inventors to the undersigned assignee and hereby certifies that the evidentiary documents with respect to their ownership have been reviewed and that, to the best of assignee's knowledge and belief, title is in the assignee seeking to take this action.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application nor any patent issuing thereon.
